Ebony Russ, a Human Resource Business Partner, Author, Speaker, Educator, and Corporate Culture Advocator with more than **20 years experience in Human Resources and Management** across insurance, finance services, aerospace and defense, hospitality, and entertainment.

The author of ***Tea, Tactics & Tenacity: 10 Tips to Thrive in Corporate America***, a practical guide inspired by Ebony's firsthand experiences navigating corporate culture and the lessons learned throughout her career.

The message is simple: **Success in Corporate America is about more than performance. It is also about perception, relationships, communication, confidence, boundaries, and knowing how to navigate the culture around you.**
